OFFICE OF THE SECRETARY TO THE PRESIDENT

New Delhi, the 13th October 1951

No. 46-Pres./51.—The President has been pleased to award the Police Medal for gallantry to the under-mentioned officer of the Madhya Pradesh Police:—  
  
Name of the officer and rank.—Constable Uderam S/o Tikait, No. 32 of Bilaspur District.

Statement of services for which the decoration has been awarded.—During the course of an inquest held at Champa in the Bilaspur District on the body of one Ajudhia Dass of Bamnidih, who had committed suicide by hanging himself, Shrimati Premkuwar, a widow residing at the same village, was interrogated as she was reported to have illegal connection with the deceased. She did not disclose anything useful but, when the dead body was being removed from the spot, she suddenly jumped into a nearby well. Constable Uderam, who was accompanying the dead body, ran at once to the well and jumped into it in full uniform to rescue her. He saved her from drowning and she was taken out of the well alive. As Shrimati Premkuwar tried to commit suicide during police investigation, a magisterial enquiry was held in this matter but nothing was found against the Police. The enquiring Magistrate congratulated Constable Uderam for saving the life of Shrimati Premkuwar by jeopardising his own.

Constable Uderam acted with extraordinary courage and bravery in jumping into an unknown well to save the woman at the risk of his own life.

2. This award is made for gallantry under rule 4(i) of the rules governing the award of the Police medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police as provided in rule 5.

New Delhi, the 16th October 1951

**SUBJECT:—Import of shoe laces, shoe rubber soles and heels from Dollar currency countries under Export Promotion Scheme.**

**No. 165-ITC(PN)/51.**—The attention of the importers is invited to the late Ministry of Commerce Public Notice No. 118-ITC(PN)/50, dated the 26th September 1950 regarding Export Promotion Scheme.

2. It has been decided to allow the import from Dollar currency countries of shoe laces and shoe rubber soles and heels falling under Serial Nos. 222/IV and 41/V respectively of the Import Trade Control Schedule under the Export Promotion Scheme.

3. The import of these goods will be allowed on the following basis:—

- (i) In the case of rubber soles and heels, ten per cent. of the value of shoes (with rubber soles and heels) exported in the previous quarter.
- (ii) In the case of shoe laces, half per cent. of the value of shoes exported in the previous quarter.

4. Applications should be made to the Import Trade Controllers at ports in the form and manner prescribed in the Commerce and Industry Ministry Public Notice No. 150-ITC(PN)/50, dated the 15th December, 1950 together with the documents specified in Public Notice No. 118-ITC(PN)/50, dated the 26th September, 1950.

**SUBJECT:—Issue of July–December 1951 licences to established importers who failed to obtain licences for January–June 1951.**

**No. 166-ITC(PN)/51.**—In the licensing policy for the July–December, 1951 period, announced in this Ministry's Public Notice No. 105-ITC(P.N.)/51, dated the 15th June, 1951, the provisions made for the doubling of certain licences and the issue of supplementary licences in the case of certain Serial Numbers of the Import Trade Control Schedule, were based on the assumption that established importers would have obtained licences for January–June 1951, in the ordinary course of their business. It has since been represented that in some cases established importers were unable to obtain licences for January–June, 1951 because of certain reasons. It has accordingly been decided, on further consideration, to allow such parties to apply for licences for the current period, subject to the conditions set out below.

2. Applications will be entertained from such established importers, who would have qualified for a quota licence in terms of the policy and licensing basis applicable to the licensing period January–June 1951 and who are able to show good and sufficient cause for their failure to obtain a licence for that period.

3. In the case of such applications as are now admitted, licences will be granted, according to entitlement, for the July–December, 1951 period only. In calculating the entitlement the increased quota percentages allowed in the case of items for which supplementary licences are being granted vide Appendix "A" of Public Notice No. 105-ITC(PN)/51 dated the 15th June, 1951 will be taken into account.

4. It should be clearly understood that it will not be possible to entertain applications for July–December licences on any of the following grounds:—

- (a) Imports made during the financial year 1950–51 being larger than the years for which evidence could be produced in January–June 1951.
- (b) Cases where the July–December quota would be below Rs. 500, since that was the minimum value for which a quota licence could issue under the rules in force in January–June 1951.

5. Applications should be made in the prescribed form and manner applicable in the case of established importers, together with the required documentary evidence, treasury challan on account of the licensing fee, to the Import Trade Controllers at the ports by the 10th November, 1951. The application and covering letter, if any, should bear the following endorsement in block letters written in red ink as follows:—

**"APPLICATION IN TERMS OF PUBLIC NOTICE NO. 166-ITC(P.N.)/51, DATED THE 16TH OCTOBER, 1951."**

**SUBJECT:—Licensing of Ale, Beer and Wines Whiskey, Spirits, etc., falling under Serial Nos. 82, 83 and 84 of Part IV of the Import Trade Control Schedule.**

**No. 167-ITC(P.N.)/51.**—In view of the representations received from time to time from the trade, it has been decided that the quota for the import of all varieties of alcoholic beverages falling under Serial Nos. 82, 83 and 84 of Part IV of the Import Trade Control Schedule should be the same.

2. For this purpose, established importers of ale, beer, etc. under Serial No. 82 and of wines under Serial No. 83 of Part IV will be given additional licence for July–December 1951, the value of which will be calculated as a multiple of the January–June 1951 licence held by them. In the case of ale, beer, etc. falling under Serial No. 82, the additional licence will be equal to one and one-third of the January–June 1951 licence held by the importer and in the case of wines falling under Serial No. 83, it will be equal to twice the value of the January–June 1951 licence. In effect therefore the total quota for the July–December period taking into account the quantity admissible under the doubling scheme, the supplementary licence already issued and the additional licence provided for under this scheme will amount to 50 per cent. of half of best year's imports.

3. It has further been decided that established importers who could not get a licence during January–June 1951 under these Serial Numbers owing to the smallness of their quota will be permitted to make fresh applications for July–December 1951 period and will be given quota licences equal to 50 per cent. of half of the best year's imports.

4. The last date for applying for additional licences or quota licences under the paragraphs 2 and 3 above will be the 31st October 1951. Licences issued to those who are not established importers e.g. to hotels and restaurants will not be entitled to any increase. Applications from established importers should be made to the ports alongwith the treasury challan for the requisite amount and other necessary documents.

5. It has also been decided that now that there is a uniform quota for goods falling under Serial Nos. 82, 83 and 84, licence-holders of anyone of these items can, at their option, utilise the licence for the import of any of the items covered by the three Serial Nos. A licence for ale and beer will therefore be valid for the import of wines and whiskey and brandy and vice-versa, at the option of the importer without any specific endorsement being made on the license itself.
